

J. Major Capital Projects/Improvements

Within the past two years, the College completed such major projects as construction of the Shirlee and Bernard Brown University Center and the Paul Navone Healthcare Education Center.

Both the Academic Building and the Library have undergone major renovations.

New Music and Art studios were added to the Fine and Performing Arts Center.

In 2008-09, the College completed site improvements including access roads, parking lots, and signage as part of the Chapter 12 funded construction.
